AN EXCEPTIONAL ENVIRONMENT

Join us in a world where obstacles are overcome, records are broken and you encounter the best.

x-bionic® sphere is a unique, one million metre multipurpose centre that provides professional conditions for 27 different Olympic sports. In the summer of 2016 it became an Olympic training centre for the Slovak Republic. The complex includes one of the world's largest and most modern equestrian facilities, a modern athletic centre, the first-class X-BIONIC® HOTEL and top-flight convention space.

The resort is ideally located 30 minutes from Bratislava, 60 minutes from Vienna and two hours from Budapest, all with international airports and connections to other major European cities and elsewhere around the world.

INTERNATIONALLY RECOGNISED SPORTS EVENTS

x-bionic® sphere organises several international and world events ranging from prestigious equestrian and swimming competitions to globally recognised athletic meets and triathlon championships. Every one of these events stands out with its own unique atmosphere, diversity and the exclusive services x-bionic® sphere provides both athletes and spectators only in the best facilities.

The Longines FEI World Endurance Championships was recently hosted by x-bionic® sphere, with 133 riders competing from 45 countries on five continents. Starting in the event was Sheikh Hamdan bin Mohammed bin Rashid Al Maktoum, Crown Prince of Dubai, alongside world favourite Jaume Puntí Dachs. The sports season continued with The Championship and more than 1,000 triathletes including top-ranked international competitors. During the triathlon two-time Olympic gold-medallist Alistair Brownlee toured the resort along with multiple world champion Sebastian Kienle and Sheikh Nasser bin Hamad Al Khalifa of Bahrain. To the great pleasure of the sports community, x-bionic® sphere is reviving after six years the legendary P-T-S, an athletic meet that has in the past featured current and former athletic stars such as Alberto Juantorena and Sergei Bubka.

ACTIVITIES NEAR X-BIONIC® SPHERE

x-bionic® sphere is located in quiet surroundings on the banks of the Danube, not far from Čilistov, a recreational resort that offers additional opportunities for sports and fun leisure activities.

Other nearby resorts you can visit are the 18-hole Welten Golf Club in Báč and the SLOVAKIA RING motorsport complex, 21 kilometres away, where a safe driving course lets you test your driving skills in wet conditions and learn how to overcome risky situations on the road.

The opposite bank of the Danube has extreme sports to raise your adrenaline level at Divoká Voda (White Water) and Čunovo Action Park.

x-bionic®
golfing sphere

WELTEN Golf Club is situated just eight kilometres from x-bionic® sphere, creating the ideal conditions and combination for organising an incredible corporate golf tournament. The golf course was completed in 2007 and ever since has provided guests with the highest standard of services. The 6,170-metre, 18-hole, par 72 has many bunkers to make the course challenging for players of any skill level.

Besides the main golf course, WELTEN also has a driving range, a practice area where lessons are also given and a three-hole practice course ideal for beginners. The practice area also has two chipping and putting greens alongside a 300-metre-long model driving range with seven target greens. WELTEN also has something rare in Slovakia – the driving range is lit at night to bring a whole new experience different from ordinary golf. In the case of inclement weather, players can use the covered part of the teeing area. The course grounds are spread out near a reconstructed manor house in which the restaurant and the WELTEN clubhouse are located.

There are other possibilities close to x-bionic® sphere to play golf. Within 30 kilometres from the resort is the Hrubá Borša Golf Club, the Bernolákovo Black River Golf Resort and the Sedin Golf Resort.

x-bionic® sphere is located close to SLOVAKIA RING, the country's largest motorsport complex. The professional, versatile SLOVAKIA RING includes the first racetrack in Slovakia approved by the International Automobile Federation (FIA). Besides professional motorsports, SLOVAKIA RING brings guests a unique opportunity to improve their own driving skills, try a quick drive, practice their driving technique or just savour the joy of sitting behind the wheel. Both racing teams and agencies now have the ideal space for organising high-power events in all facets.

The complex is just the right venue for corporate events, whether organised for your business partners or employees. A remarkable programme, full of experiences for your guests to always remember, can be prepared anytime.

There are very few places you can cycle and not encounter hills. But the trails around x-bionic® sphere will satisfy the desire of anyone who prefers the flat, picturesque dam reservoir cycle trails running along the Danube. The resort lies along EuroVelo 6, a well-known international cycle trail linking 10 countries over 3,653 kilometres. If adventure is what you seek, then visit the cycle trail winding through the Little Carpathians, just 20 kilometres away from x-bionic® sphere. The change in elevation as the forest route rises and descends, alongside the diversity of surfaces, ensures an extreme experience in one of the most gorgeous corners of Slovakia.

You do not need your own bicycle for a cycling experience at x-bionic® biking sphere. Select from a wide selection of bicycles for hire and enjoy a ride along the scenic plains.

ČILISTOV RECREATION CENTRE

Čilistov Recreational Centre is located on the bank of the Danube River not far from Gabčíková Dam and 20 kilometres away from Bratislava. It offers guests a number of leisure options like pétanque, tennis, badminton, sailing and water sports.

Čilistov's magnificent surroundings include Lake Lagúna, part of Hotel Kormorán. During the summer, both the hotel and lake become major destinations for corporate events and teambuilding. The well-maintained lakeside beach has pleasant seating right at the water where you can enjoy a refreshing drink or small snack. Another quite interesting event to see while staying at Lake Lagúna is the Dragon Boat Races, suitable even for large groups, and there is also rowing, paddle-boarding and other options available.

Near Lake Lagúna is Kormorán Dock, a port of call for the cabin cruisers, excursion boats and small watercraft that ply the Danube. Cruise vessels docked at the port may be reserved for different occasions and sightseeing cruises for the public are likewise organised from Kormorán Dock.

DIVOKÁ VODA AND ČUNOVO FUN PARK

Divoká Voda (White Water) is a sports centre, an island of experiences and an oasis of joy. Besides raising adrenaline and endorphin levels, it showcases the individual responsibilities and teamwork vital to success, reducing stress and providing experiences and memories to last a lifetime. Building a team as you work together playing a sport brings an effect that is thrilling. Try it for yourself and see!

Right nearby Divoká Voda is Čunovo Action Park, another unique place for extreme sports. Spread out over an area of 28,000 square metres, up to 1,000 visitors can visit the park at one time. It has 26 fun and extreme attractions, sports grounds and more than 110 team activities available.

x-bionic® sphere can arrange comprehensive teambuilding programmes focusing on all teamwork attributes such as working together effectively, time management, communication, strategy and trust, while the programmes themselves are stylish, thematic and include the three basic features essential to success: practical knowledge, good experiences and fun.

VISIT OUR RESTAURANTS AND BARS

At x-bionic® sphere, ordinary dining is turning into a true culinary experience. Choose from an imaginative menu and different catering concepts.

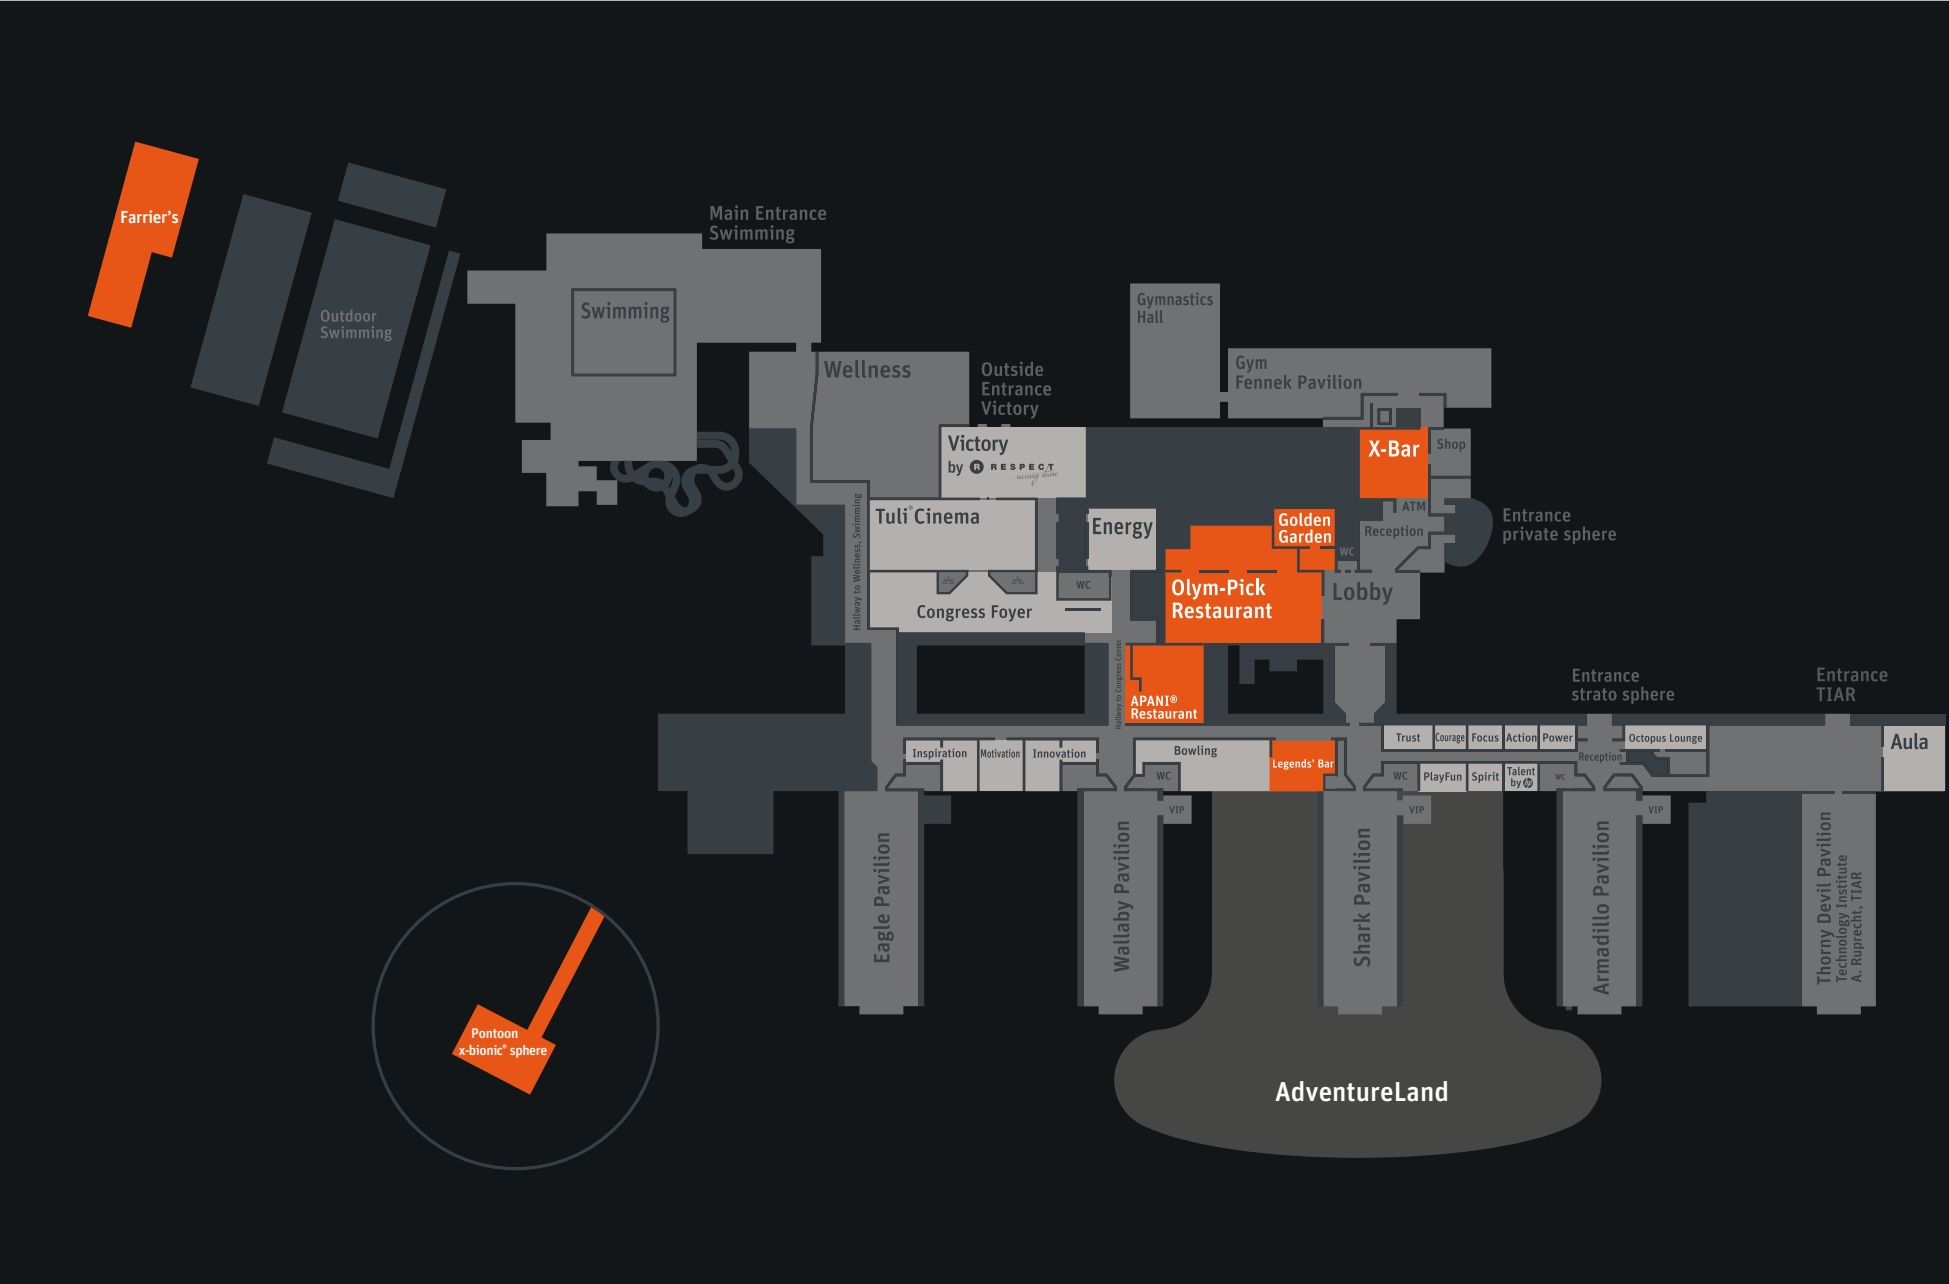

x-bionic® sphere has four restaurants, each with their own concept. Olym-Pick is a buffet-style restaurant serving breakfast and also offering a wide selection of food and beverages during the day. APANI® offers a menu of healthy Japanese specialties prepared by experienced chefs. You will be pleasantly surprised by the atmosphere at Farrier's Steak House, an equestrian restaurant whose stylish rustic interior features an original Tuscan stove and bar stools shaped like horse saddles. Finally, Golden Garden is x-bionic® sphere's own experiential restaurant, regularly organising special presentations by major chefs from around the world along with tastings from a selected menu.

Besides the restaurants, x-bionic® sphere has a bar and café. Located at the hotel foyer, X-Bar is the perfect place to enjoy a cup of coffee and fresh homemade desserts. At Legends' Bar, you can order from a number of alcoholic beverages and soft drinks, play billiards, bowling or enjoy a smoke in the cigar room.

GORDANA GLASS

x-bionic® sphere has collaborated for several years with Gordana Glass, an enterprise operated by a female glassmaker and highly-talented artist. For her ability to breathe life into her exquisite glass creations, she is considered the genuine “Queen of Glass”. Her artistic skill enables the glass to interpret the relationship between people and animals, nature and God, winning over art enthusiasts around the world.

This cooperation has led her glass trophies and works of art to be grasped in the hands of the world’s most successful athletes at sporting events organised by x-bionic® sphere and as gifts presented to major world dignitaries such as Albert II, Prince of Monaco and Sheik Mohammed bin Rashid Al Maktoum, Emir of Dubai, Vice President and Prime Minister of the United Arab Emirates.

Her glassware gems are also owned by such luminaries as the Queen Elizabeth II, King Harald V of Norway, Pope Benedict XVI, German politician Ursula von der Leyden, former U.S. Secretary of State Madeleine Albright, President of Croatia Kolinda Grabar-Kitarović, former German finance minister Wolfgang Schäuble, Italian Minister of Economy and Finance Pier Carlo Padoan and Bulgarian politician Kristalina Georgievová.

Last year, Gordana Glass created appreciative glassware for the Globsec Security Conference as well as the well-known international Tatra Summit.

JAMFILM 1999 – CREATIVE FULL-SERVICE PRODUCTION AGENCY

When x-bionic® sphere puts on events technically challenging and demanding to produce, it calls upon JAMFILM 1999, who have produced such events in Slovakia and the Czech Republic since 1999. They provide complete coverage for a television show or a corporate event, having worked on spectacular international productions such as Czechoslovakia’s Got Talent, X-Factor and many other programmes.

PK ACADEMY – PETER KRIŠTOFOVIČ ACADEMY OF ENTREPRENEURSHIP

If you are interested in adding something to your employee training event, x-bionic® sphere's close cooperation with PK Academy offers you several ready-made products and seminars.

PK Academy is an education company for entrepreneurs and managers established and owned by successful Slovak businessman and motivational coach Peter Krištofovič. More than 20 years ago he founded his very first firm literally in his child's nursery room. Today he owns altogether more than 40 firms in education, retail, real estate, nutrition and financial services in five countries.

PK Academy is the only company in Central and Eastern Europe to have an exclusive licence for POWER DAYS, Europe's most successful motivational seminar, which more than 500,000 people from 27 countries have completed. Thanks to exclusive cooperation with top German coach Jürgen Höller, PK Academy is using the know-how, expertise and methodology of one of the world's best instruction firms in its training sessions and seminars.

PK Academy's main instructor and speaker is Peter Krištofovič, whose training of himself and his associates has built the most successful company in Central and Eastern European reforms and whose seminars have helped thousands of people in many countries.
