Farrier's Arena Polo Cup

Despite the fact the that horse polo does not have a long tradition in Slovakia, we managed to join forces with the founder of the horse polo in our country, Ladislav Agardi, and combine facilities of the Olympic Training Centre. Ladislav Agárdi is, among other things, awarded by the Argentinian embassy for the development of polo in Slovakia. He has been organizing horse polo tournaments for more than 15 years. Mr. Agárdi will make sure that the Farrier's Arena Polo Cup will meet the highest demands. Modern spaces of x-bionic[®] sphere will ensure the best conditions not only for the players, but also for horses and other visitors.
