5. Credit and Rules of its Application

- 5.1** The Program Member is entitled to replenish his/her account with credit immediately after the successful registration and activation of the X-CARD Account, in the form of funds from a payment card or in cash, which are credited to the account in EURO (hereinafter the “Credit”), and by purchasing it at www.x-bionicsphere.com, via the X-CARD mobile application or at a selected XBS establishment. The credit can be used to pay for the purchase of selected goods and/or services on the website www.x-bionicsphere.com and for selected goods and/or services via the X-CARD mobile application and/or for selected goods and/or services at selected premises and facilities operated by XBS via a valid Technical Medium. Program Member is the exclusive owner of the credit - all funds in the Account of the Program Member for the duration of the membership of the Program Member. Each holder of a subordinate Technical Medium acknowledges that the sole owner of all funds in the Account of the Program Member, i.e. the credit on the Account, including funds/credit, which was charged to the account of the Program Member also by the holder of the subordinate Technical Medium, is exclusively a Program Member.
- 5.2** For every EUR 100 drawn-down by a Program Member or holder of a subordinate Technical Medium (payment for selected XBS goods or services) during one calendar month, the Program Member always receives the relevant multiple of the bonus credit of EUR 20 in the following calendar month. On the XBS website and in the X-CARD application, the credit balance on the Customer's Account can be checked by the Program Member in the Profile section. In the event that within one calendar month there is a drawdown (i.e. payment for selected goods and services) and at the same time also return of the payment for goods and services by crediting the amount to the Account due to withdrawal from the Agreement, the amount in question is not included in the amount of the “credit drawn down” and there is not entitlement to bonus credit for it. However, the provision of par. 5.2 of these GTC does not apply in the case of using the services in the X-BIKE application. Payment terms and conditions for the use of X-BIKE services and applications, as well as cancellation conditions in the case of the use of X-BIKE services and applications, are governed by special [X-BIKE GTC](#).
- 5.3** Validity of the credit is not limited in time, but may be limited by the termination of membership in the program. The credit cannot be exchanged for cash. Funds in the form of credit on the account will not bear any interest. The credit can be transferred to another Program Member, upon the request of the Program Member to cancel the membership in the program and to transfer the credit replenished on the X-CARD to another existing Member of the X-CARD Program.

- 5.4** The amount of credit is not limited, but must be expressed as a positive number. Program Member/holder of the subordinate Technical Medium is entitled to replenish the amount of credit in cash or by payment card at any time during each visit to XBS. Only Program Member is authorized to replenish credit on-line or via the X-CARD mobile application (refilling credit).
- 5.5** Program Member/holder of a subordinate Technical Medium is entitled to use the credit for the purchase of selected goods and/or services in XBS during the entire period of membership of the Program Member, unless otherwise stated in the GTC.

If the price of the service / goods is lower than the amount of credit on the account, the unused credit remains on the Account for further use. If the price of the service/goods is higher than the amount of credit on the Account, the Program Member/holder of the Technical Medium is obliged to first add/refill the credit to the Account, then make a payment or pay for the selected goods/services by other means than using the Technical Medium, i.e. in cash or non-cash by another means of payment, otherwise the service/goods will not be provided to him/her. When paying the price for a selected goods/service, he/she is not allowed to combine payment using a Technical Medium with another payment method.

In case of purchase of goods or services at the XBS establishment, the Program Member and/or the holder of the Technical Medium will receive a non-tax document immediately after payment and then the relevant tax document will be delivered to the Program Member's e-mail. This shall not apply for the selected XBS establishments – Hotel (in relation to payment for accommodation) and Farrier's, where a tax document will be issued when purchasing goods or services, and subsequently a notification of a change in the Account credit will be delivered to the e-mail of the Program Member.

When paying with credit at the XBS establishment, the Program Member/holder of the subordinate Technical Medium will use the Technical Medium to pay the selected price of goods and/or services offered by XBS.

- 5.6** Payment by credit can also be made on the website www.x-bionicsphere.com and via the X-CARD mobile application according to Article 6 of the GTC.
- 5.7** The credit charged to the X-CARD cannot be exchanged for cash, except in cases where the Program Member or the holder of the subordinate Technical Medium makes a complaint about the X-CARD service according to par. 5.10 to 5.15 of these GTC, a credit balance on the card according to point 5.9 of these GTC or a complaint concerning goods and/or services purchased using the X-CARD according to par. 6.8 of these GTC. Credit replenished on X-CARD can be transferred to another Program Member, based on the Program Member's request to cancel the Program Membership and request to transfer the credit refilled on X-CARD to another existing Program Member and with the consent of the other Program Member to whose account the credit refilled to the X-CARD is to be transferred. The sample application for cancellation of participation in the program and the transfer of the X-CARD credit to another existing Program Member forms Annex no. 2 to these GTC and you can also find it [HERE](#).
- 5.8** Program Member and a holder of a subordinate Technical Medium older than 15 years (in the case of a holder under 14 years of age - a Program Member to whose Account his/her subordinate Technical Medium is assigned) is obliged to check the receipt issued by the cash register as well as the purchase receipt via X-CARD at the time of its issue. Subsequently raised complaints for possible inaccuracies in these accounting documents will not be accepted.
- 5.9** In the event of a complaint concerning the credit balance on the Account, the Program Member is obliged to submit a reliable accounting document, and in the event of a complaint concerning the credit balance, the Program Member proceeds in accordance with par. 5.11 to 5.15 of these GTC. Complaints concerning X-BIKE services and applications are governed by [X-BIKE GTC](#) and the Rules of Complaint Procedure incorporated in [X-BIKE GTC](#). Complaints about specific services and goods are governed by the Rules of Complaint Procedures of

individual establishments.

- 5.10** If the X-CARD cannot be used for its purpose, i. e. for the purchase of goods and/or services or the X-CARD shows other signs of a defect which the Program Member or the holder of the subordinate Technical Medium did not cause by his/her own intentional or unintentional conduct and was not caused by improper or incorrect use of the X-CARD, the Program Member or the holder of the subordinate Technical Medium is entitled to assert his/her legitimate claims in the form of an X-CARD complaint, in accordance with the procedure under par. 5.11 to 5.16.
- 5.11** A Program Member or the holder of a subordinate Technical Medium is entitled to file a complaint according to the conditions of the GTC, always in person and in writing in each XBS establishment or by email to: reklamacie.x-card@x-bionicsphere.com.
- 5.12** XBS shall issue to the Program Member or the holder of the subordinate Technical Medium, who has file complaint pursuant to these GTC, upon filing a complaint the confirmation of the complaint, whereby in the case of a complaint made in person at the XBS establishment, XBS shall issue a written confirmation, and in the case of a complaint made by email according to par. 5.11, a confirmation of the claim shall be sent to the Program Member or the holder of the subordinate Technical Medium at the email address from which the complaint has been made.
- 5.13** XBS will handle the complaint in writing or by email within 30 (in words: thirty) days from the date of its receipt in accordance with the provisions of Section 18 of Act No. 250/2007 Coll. on consumer protection, as amended ,and according to the conditions set out in these GTC (clauses 5.9, 6.8 and this Article of the GTC).

- a. if concerning a defect that can be rectified, the Program Member has the right to have it rectified free of charge, in a timely and proper manner. XBS is obliged to eliminate the defect without undue delay. Program Member may, instead of rectifying a defect, request the replacement of an X-CARD, provided that XBS does not incur disproportionate costs due to the severity of the defect. XBS has the right to always provide a new X-CARD to a Program Member instead of removing the defect, unless this causes serious difficulties for the Program Member.
 - b. if concerning a defect which cannot be rectified and which prevents the X-CARD from being used properly as without a defect, the Program Member has the right to replace the X-CARD or has the right to withdraw from the Agreement. The same rights pertain to the Program Member in the case of remediable defects, but the Program Member cannot properly use the X-CARD due to the recurrence of the defect after repair or due to a larger number of defects.
- 5.15** In the event of a complaint, the Program Member shall state which of the rights pursuant to par. 5.14 of these GBTC he/she is interested in asserting. At the same time, a Program Member may exercise his/her right to file a complaint to the supervisory authority pursuant to par. 6.8.3 of the GTC.
- 5.16** Complaints under this article of the GTC may also be made by the holder of the subordinate Technical Medium, but only in relation to defects that occurred on his/her subordinate Technical Medium.
